## Features

### Durable Support System

Our new High Performance Coil construction provides the same durability that is traditionally associated with the Simmons® brand.

### Damask Fabric

This soothing fabric is super lightweight yet silky and soft. It adds a comforting touch to your sleeping experience.

### Stretch-Knit Fabric

Our luxurious knit fabric is comfortable and soft to the touch. The circular knit design adds a gentle touch to this resilient fabric, providing a luxurious touch for a more comfortable night's sleep.

### Visco Memory Foam BackGuard® Support

Provides luxurious comfort and extra lumbar support. *(Select Models)*
